## FISE WORLD SERIES 2018 Pidu district: New Academy & New Permanent Freestyle Park CHENGDU - CHINA

FISE and Pidu district are working together to develop the next generation of Chinese Action Sports Stars.

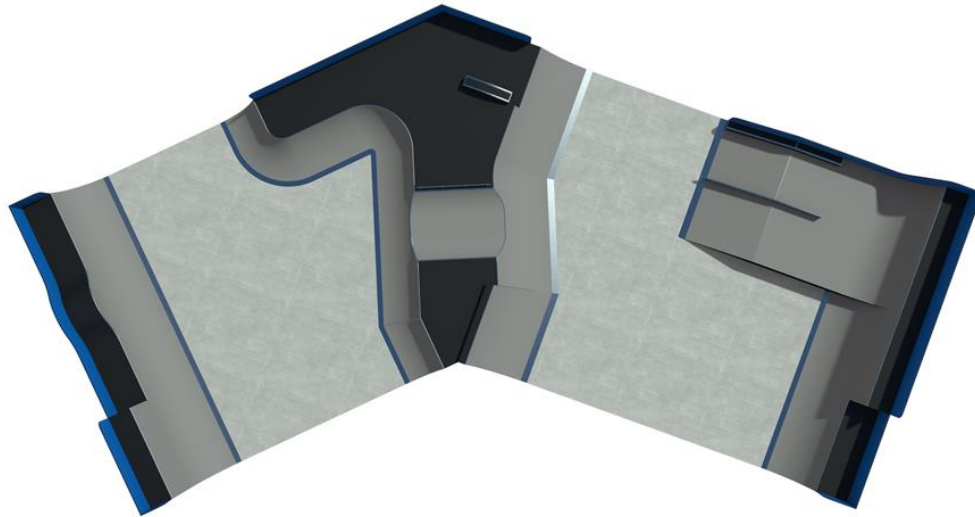

This year FISE presented by Honor is bringing more to Chengdu than just 1 event. Pidu District will not only be hosting the final stop of the tour, they are also committing to the future of action sports in the region by opening a **FISE Academy**. This is supported by a **new Park** specially built for the event, which will **stay on as a legacy** for the people of Pidu to enjoy.

FWS is committed to developing Urban Sports worldwide. This couldn't be done without offering young people the chance to get involved in these sports.

For this reason, FISE opened Academies specialized in several sports all around the world, designed to share the passion and help young talent to flourish. The FISE Pidu Academy opening will coincide with the last event of the 2018 tour as we aim bring something that will satisfy the Chinese people's appetite for Skateboard and BMX once the tour is over. The students will enjoy a freshly built Freestyle Park. Made for the event this brand new structure will stay as a legacy for the locals to practice their skills!
